

## 2019 Subject Index

Abscess .....	55	Corneal endothelial cell density .....	178
Actinomyces .....	102	Corneal endothelial function.....	178
Age-related macular degeneration .....	84	Corticosteroid .....	367
Amblyopia.....	310	Cryotherapy .....	364
Amniotic membrane transplantation.....	356	Cumulative .....	149
Amsler-Krumeich.....	117	Curettage .....	102
Angle surgery .....	347	Current approaches .....	154
Aniridia-related glaucoma .....	183	Cystic changes .....	194
Anisometropia .....	310	Cystoid macular degeneration .....	315
Ankylosing spondylitis.....	10	Cystoid macular edema.....	297
Anterior uveitis.....	99	Dacryocystitis .....	164
Anti-vascular endothelial growth factor .....	30, 258	Demography .....	10
Antidepressant drug .....	1	Dengue maculopathy.....	51
Aphakia .....	277	Densiron® .....	68, 334
Argus II .....	213	Depression .....	1
Artificial vision.....	213	Dexamethasone.....	73
Assessment of residual functional vision.....	89	Dexamethasone implant .....	250, 323
Assessment of residual visual functions .....	89	Diabetic macular edema .....	73, 194, 315, 323
Balance .....	243	Diabetic macular ischemia.....	194
Behçet's disease.....	40	Diabetic retinopathy.....	315
Best disease		Diagnostic vitrectomy .....	44
Bietti crystalline dystrophy .....	106	DMEK.....	235
Bionic eye .....	213	DMÖ.....	323
Body position .....	6	Dose.....	149
Breast cancer.....	171	Dry eye .....	142, 356
Breast carcinoma.....	168	Dynamic pupillometry .....	310
C3F8.....	201	En face optical coherence tomography.....	84
Canaliculitis.....	102	Endocarditis.....	361
Cancer.....	305	Endogenous endophthalmitis .....	294
Candida endophthalmitis .....	294	Endophthalmitis.....	361
Cannabinoid .....	114	Endoscopic surgeries.....	47
Cataract.....	243	Etiology .....	10
Cataract surgery.....	15	Exenteration.....	305
Central serous chorioretinopathy .....	30, 40	Exogenous endophthalmitis.....	44
Central serous chorioretinopathy like maculopathy.....	367	Extraocular muscle.....	168
Children.....	283	Extrapulmonary tuberculosis .....	188
Choroidal folds .....	367	Eye.....	78
Choroidal thickness .....	20	Eye drops .....	123
Chronic macular edema .....	315	Eye screening.....	25
Clinical retinal detachment .....	342	Eyelid.....	224
Colistin .....	220	Falls .....	243
Complicated inferior retinal detachment.....	334	First-line treatment.....	342
Congenital aniridia.....	183	Fuchs' endothelial dystrophy .....	235
Congenital cataract .....	25	Fundus autofluorescence .....	149
Congenital toxoplasmosis .....	230	Ganglion cell complex.....	134
Cornea.....	55	Genetics .....	347
Corneal calcification.....	123	Glaucoma.....	61, 130, 134, 183, 283

## 2019 Subject Index

Glaucoma drainage devices.....	183	Optic nerve head infiltration	
Glaucoma drainage implants.....	347	Optical coherence .....	315
Gout .....	178	Optical coherence tomography .....	78, 106, 109, 194
High-density silicone oils.....	334	Optical coherence tomography angiography .....	106, 226, 300
HLA-B27 .....	10	Orbital metastasis.....	168, 305
Hydroxychloroquine.....	149	OSDI .....	142
Icare .....	130	Osmolarity.....	123
Idiopathic macular hole.....	328	Outer retinal degeneration .....	213
Imaging modalities.....	300	Outer retinal microhole.....	109
Immunohistochemistry.....	68	Oxane® HD.....	334
Individualized medicine .....	258	Oxidative stress.....	61
Intermediate uveitis.....	297	Oxytocin.....	68
Intraocular lens dislocation.....	277	Ozurdex.....	175
Intraocular pressure .....	6, 130	Ozurdex.....	250
Intravitreal dexamethasone implant .....	175	Pachychoroid neovascularopathy.....	226
Intravitreal injection.....	250	Pars plana vitrectomy .....	230, 270, 323, 328
Iris-claw lens.....	277	Penetrating keratoplasty .....	55, 270
Keratitis.....	220	Penetration trauma .....	44
Laser photocoagulation .....	342	Pericarditis.....	361
Lattice degeneration.....	209	Periorbital emphysema .....	47
Lecturers .....	142	Peripheral ischemia.....	194
Lithotripsy .....	294	Phacoemulsification.....	243
Low vision .....	89, 154	Phosphate .....	123, 213
Low vision aids .....	89	Pneumatic displacement.....	51
Low vision rehabilitation .....	89, 154	Pneumatic vitreolysis.....	201
LVA.....	154	Polymerase chain reaction (PCR).....	361
Macular hole.....	201, 209	Presumed ocular tuberculosis	
Maculopathy.....	149	Primary congenital glaucoma.....	347
Medial rectus muscle .....	168	Proliferative .....	334
Melanoma.....	305	Pseudoexfoliation.....	1, 61
Microvascular changes .....	300	Pseudopapilledema .....	300
Multiple drug-resistant pseudomonas aeruginosa.....	220	Pseudophakic bullous keratopathy .....	235
Multiple sclerosis.....	364	Punctoplasty .....	102
Nasolacrimal duct obstruction.....	164	Pupillary light reflex .....	310
Negative performance.....	25	Purtscher-like retinopathy .....	114
Neovascular age-related macular degeneration.....	15, 258	Quiescent type 1 choroidal neovascularization .....	84
Neurofibroma .....	224	Ranibizumab .....	15, 73
Obstructive sleep apnea syndrome.....	134	Red reflex test.....	25
Ocular hypertension .....	134	Relapsing polychondritis.....	99
Ocular inflammation .....	188	Retina .....	78
Ocular metastasis.....	171	Retinal dystrophy .....	106
Ocular surface .....	356	Retinal hole .....	175, 209
Ocular surface disease index.....	142	Retinal prosthesis .....	213
Ocular toxoplasmosis.....	230	Retinal tear.....	209
Ocular trauma.....	44	Retinal thickness .....	20
Optic disc .....	134	Retinitis pigmentosa .....	213
Optic disc drusen.....	300	Retinoblastoma.....	25

## 2019 Subject Index

Retinopathy.....	68	Tonometry.....	130
Retinopathy of prematurity.....	230	Toxic epidermal necrolysis.....	356
Rheumatoid arthritis.....	367	Toxoplasma gondii.....	230
Scheimpflug camera.....	117	Treat and extend dosing.....	258
Secondary lens implantation.....	277	Tuberculosis.....	188
SF6.....	201	Tuberculosis.....	361
Smoking.....	20	Tularemia.....	164
Spectral domain optical coherence tomography.....	20, 84	Tumor.....	224
Specular microscopy.....	178	Unilateral keratoconus.....	117
Staphylococcus epidermidis.....	44	Ureteral stone.....	294
Steroid.....	40	Uveitis.....	10, 250, 283, 364
Strabismus.....	310	Valsalva maneuver.....	47
Streptozotocin.....	68	Vascular endothelial growth factor.....	73
Sub-ILM hemorrhage.....	51	Vasoproliferative tumor.....	364
Subclinical retinal detachment.....	342	VEGF.....	68
Substance abuse.....	114	Verteporfin photodynamic therapy.....	30
Subthreshold micropulse laser.....	30	Vision.....	243
Syphilis.....	297	Visual prosthesis.....	213
Systemic autoimmune disease.....	99	Vitrectomy.....	277
Tarsus.....	224	Vitrectomy under air.....	328
Temporary keratoprosthesis.....	270	Vitreomacular traction.....	109
Therapeutics.....	55	Vitreomacular traction.....	201
Tomography.....	315	Vitreoretinopathy.....	334
Tonometer.....	6
